

THE KILLINGWORTH FOUNDATION  
P. O. BOX 621  
KILLINGWORTH, CT 06419

**Instructions to Senior High School applicants seeking a Killingworth Foundation scholarship:**

Scholarships grants are based on academic achievement, fullness of character, community service, and both school and community extra-curricular activities, or employment. Grants will be paid directly to the college or university after the applicant has successfully completed one semester of matriculation and has enrolled for a second semester. No grants will be made directly to applicants.

The deadline for applications is **March 1** of each calendar year. Once the application is received, the Foundation will schedule an interview with the applicant. Applicants will be notified of the Foundation's decision by May 1.

To apply for a scholarship:

1. You must be a Killingworth resident.
2. You must currently be enrolled as a full-time high school student. If you are home-schooled, equivalent status must be verified.
3. You must have a cumulative high school grade point average equivalent to a "B" or higher at the time of application.
4. You must be applying to a post-secondary educational institution.

Please submit:

1. The Foundation's application, including the required hand-written essay. Please be advised that everything counts on your application: neatness, legibility, spelling, grammar, and providing the information as requested are important.
2. An official transcript from your high school, including SAT and/or ACT scores. Please have your transcript sent directly to the Foundation from the Guidance Department at your high school. If you are home-schooled, equivalent documents must be presented.

*The Board of Directors reserves the right to waive or amend any or all of the provisions set forth above to best serve the purposes of The Foundation.*
